Fangda Partners ranked as the only PRC law firm in GDR 100 2022

Fangda Partners is the only PRC law firm to be ranked in the GDR 100 2022, published by Global Data Review (GDR) on December 13 2021.

The GDR 100 is a trusted source of worldwide news and analysis on the use and trade of data and the only global ranking that captures the capabilities, track record and market reputation of the leading firms in the field.

Fangda Partners advises clients on data privacy and cyber security issues in a wide range of sectors, including e-commerce, finance, IT, life sciences and artificial intelligence. Our areas of expertise include helping clients build global and China-specific data protection programs, implementing the program, establishing third party management, conducting data privacy due diligence, and advising clients on challenging data privacy issues arising from business operations. We assist Chinese companies to establish comprehensive global data protection programs from scratch and to manage emerging data protection risks from a global perspective.
