

M&A and General Corporate

The Preeminent China-based International Law Firm

Founded in 1993 and one of the most prestigious law firms in the region, Fangda Partners has over 700 lawyers. We serve a wide variety of major clients – including large MNCs, global financial institutions, leading Chinese enterprises and fast-growing Hi-tech companies – on an extensive range of commercial matters through our network offices in Beijing, Guangzhou, Hong Kong, Shanghai and Shenzhen, offering PRC law and Hong Kong law.

We are the firm of choice for clients' most challenging transactions and legal issues in many practice areas. Since we were founded, we have advised on some of the largest and most complex corporate and finance transactions in China, the region and globally. We have also assisted our clients with many renowned and complex cases and arbitrations, compliance and government investigations in the region.

Our service to clients is premised on the dual foundations of strong local law capabilities and a global business outlook. Our lawyers are qualified in many jurisdictions, including the People's Republic of China, Hong Kong SAR, England and Wales, the United States, Singapore and Australia.

Our understanding of the laws and processes in major jurisdictions around the world enables us to advise our clients effectively on the largest and most complicated cross-border matters in China and elsewhere. Our strengths have been widely recognized by our clients and peers. Chambers has commented on our cross-border capabilities in the following terms – "outstanding quality of its lawyers", "high level of service that is comparable to international firms", and "strong global outlook".

M&A and General Corporate Practice

As one of the cornerstones of Fangda's legal practice areas, our M&A and General Corporate Practice focuses on mergers and acquisitions, foreign direct investment, outbound investment and general corporate matters. We have been well recognized as a leading practice in the market for more than 25 years.

Client turns to us for our extensive capabilities in structuring and executing the most intricate and challenging cross-border M&A transactions and in solving complex policy and regulatory issues. We have been helping our clients in devising creative deal structures and navigating challenges presented by changing policy and regulatory landscape, as well as in fluctuating economic environments.

Apart from our legal expertise, we distinguish ourselves for our in-depth industrial knowledge in a wide spectrum of fields, including manufacturing, automobile, chemical, consumable, logistics, retail, healthcare, education, energy & resources. We understand the complexity of acquiring and operating a multinational company, including everything

to do with land-, facilities- and equipment - related issues, environmental protection, and foreign exchange issues, among others, and can offer clients value-added legal services that align with their commercial needs.

As an internationally-oriented PRC law firm, we combine unrivalled local knowledge with an international perspective. We often work closely with top-tier law firms in multi-jurisdiction transactions and are constantly recommended by international firms to their clients for PRC law advice. Our clients include both domestic and international blue-chip clients, some of whom have depended on our legal expertise for more than 10 years.

We take great pride in supporting our clients in their establishment, operation and expansion in China and in international markets.
